

Mahjong, Anyone?

If you want to learn how to play mahjong or want more practice playing, then sign up for the NSC Mahjong event and potluck! Our coaches will teach you the basics so you won't be intimidated to play with others. We will focus on the Cantonese style where we play with 13 tiles and flowers. We will explain how to score, both HK and Classical Chinese scoring. If Mahjong is on your bucket list, then sign-up! When you sign up, you will receive a cheat sheet and a list of Mahjong resources. We know that all NSC members like to eat so this is also a potluck event.
